Team Reports: The Atom team is registered for a tournament in Barrie this coming weekend.
The Bantams are also going to Barrie.
The PeeWees are entered in the Silver Stick tournament the last weekend of November.
The Midgets have had a good start to their season and are looking at some tournaments.
The Intermediates are also looking at some tournaments.

Team Photos: Darren handed out all the girls' photos. There is a CD available for each team. The turnout for picture night was most impressive and Darren was very pleased with the co-operation he received from all present. A photo was taken again this year of all the girls in the group.

Fundraising: Charlene mentioned that there are extra raffle tickets available upon request. It was suggested that each team take an extra book for sale at their admission table before home games.

Equipment cleaning will be available – Charlene will have a flyer for each manager. Coupons will be for sale for \$30.00 per cleaning.

We have a chance to buy a large number of Attack tickets for the December 27th, 2008 game. It was decided that we would start with 100 tickets and that we can get more as needed depending upon availability from the Attack. We will be selling the tickets to the girls for \$10.00 each.

The Attack hockey group has also asked if we would be interested in having one of the girls teams play between periods at the January 28th, 2009 game.

Jerseys:

Grey Bruce Water Company Inc. will be sponsoring a team this season as well as purchasing a new set of jerseys for the group.

The new jerseys for the Midget team should be arriving within the next two weeks.

After much discussion regarding name bars on the back of the girl's individual jerseys, it was decided that due to safety issues as well as the wear and tear on the jerseys there will be no name bars on the jerseys.

Motion: Jackie Lemon motioned that no name bars be allowed on the jerseys. Darren seconded – Carried.

Web-Site: Darren reported that there have been a lot of people visiting the web-site. The photos of each team have been posted.

He issued a reminder to submit the game scores to him, along with any changes to the schedules.

Darren will look after getting the sponsor plaques made up.

Ice Time: Jackie has the master schedules. She asked that she is contacted with any changes and she may have more ice become available.

Burke will draft a letter to be sent to Mayor Lovell-Stanners and all the City Councilors. The letter will be asking for progress and updates on the City's Ice Allocation Policy.

Next Meeting – Tuesday, December 9th, 2008 – 7:00 pm (location to be announced).
