

Owen Sound Girls' Hockey Group
Meeting - September 15th, 2009
Bayshore Community Centre - Pool Room - 7 p.m.

Present: Burke Mason, Jackie Lemon, Lee-Anne Kazarian, Darren Lynk, Charlene Goodwill, Leanne Sutherland

Burke is looking after obtaining our Annual Liability Insurance Certificate through the OWHA. A copy of this will be forwarded to the City of Owen Sound.

After much discussion the following was decided:

Five of the Midget aged girls will be moved to the Intermediate team as there are too many girls registered for one Midget team and there are not enough Intermediates to form a team on their own.

The Bantam team has enough girls registered to form a team but none of the girls registered have indicated they are a goalie.

We will have two PeeWee teams this season - the PeeWee teams will include any girls who have registered in the Atom age group. Some skating sessions are planned to decide which girls will be on each team.

Jackie has looked after renting our ice times - in Owen Sound and in Chatsworth. We have ice rented at both the Coliseum and the Bayshore this season.

Burke will call a Coaches' meeting as soon as possible.

The scheduling meetings are to be held October 6th and 7th. The rosters are to be to OWHA by October 1st.

Charlene reported that the raffle tickets are ready to be printed. The draw date will be December 2nd, 2009. The NHL Alumni tickets have been ordered.

We have received complimentary tickets from the Old Timer's Hockey Alumni - these will be distributed to each team.

Tag day has been set as October 17th, 2009 - we will be at Canadian Tire, Wal-Mart and Tim Hortons.

It was decided that we would purchase tickets for the Owen Sound Attack game on January 2nd, 2010 - this is a Sunday afternoon game.

Darren will send a spreadsheet to each team once the schedules are set. Each team is to fill this out and send it back to Darren so he can post the schedules on our web-site.

Darren will also look after the team photos this season.

Next Meeting - September 29th, 2009 - place yet to be confirmed.
