

With our **30X23 foot synthetic ice pad**, specialized stickhandling equipment and knowledgeable instructors, we are excited to provide hockey skills training at our new facility. We are the first synthetic ice pad in Grey-Bruce so be sure to check us out! At Top Corner Training we listen to the athlete and work with them to work on areas of their game that need improvement. Private or semi-private lessons are available. Whatever your goal may be, we will work to help you improve and get ready the next time you step on the ice!

We are located at 1185 4th Ave East, Owen Sound. Feel free to contact us at **226-668-6759** or email **zaccoulter@hotmail.com** for prices and to book your lesson! Don't forget to follow us on twitter **@TopCTraining** and on Instagram **@TopCornerTraining** for the latest updates and deals!
